

Accurate Custom Tablature™

Banjo TEFList -- Sorted by: **PLAYER**

Almost 200 banjo transcriptions, previously ordered by A.C.T. customers, in
.TEF format for use in "TabView" & "TabEdit" software.

This page describes the features of the list and how to order.

● EXAMPLE OF AN ENTRY IN THE LIST:

1. TITLE	2. POSITION	3. PLAYER/ARR.	4. .tef	5. COMMENTS
Bluegrass Breakdown	G	Jack Hicks	TE	Bill Monroe recording

1. Title of tune.

- Some songs are known by more than one title. Example: "The Ballad of Jed Clampett" is sometimes referred to as "The Beverly Hillbillies." Occasionally, if a tab is not on the list, you may find it under another title.

2. Position out of which piece is played. Not necessarily the key from the recording.

- Example: Though a song may be in the key of A, it may be played out of the open G position with a capo at the 2nd fret. This would be listed as "G position." You can decide about capo usage.
- With common "open G tuning" G, C, and D are the most common open positions. G and C positions use open G tuning. D position also uses G tuning, but also usually capos the 5th string up to an A note at the 7th fret.
- Other tunings such as D tuning (a D F# A D) or C tuning (g C G B D) are noted.
- The actual key of the song along with capoing information is noted on each tab.

3. Name of player on the recording from which this piece was transcribed. (if known - that is, if supplied by customer)

- Where the name "Steve Garner" appears, these are customer ordered solos custom arranged by Steve Garner.

4. Shows that the tab is available in .tef format. TE (for TabEdit) is shown in this column.

NOTE: No. 5 below appears with only some titles

5. Comments about the tab such as playing style or band name. Email to request more information about any tab.

Some Terms Used In "Comments" Column

Scr. = Scruggs style (all are Scruggs style unless otherwise noted)

slow = picking patterns commonly used for slow songs where up-tempo rolls are not appropriate

SS = single string technique

dn = down-the-neck solo

up = up-the-neck solo

mel. = melodic style

album source (if supplied by customer)
